- Press confirm when you're done.
- Locker will open for deposit.
- Place in your filled container and exchange a clean container, remember to close the locker.

A photograph of a white recycling bin with a digital screen and a weighing platform. The screen displays the following text: "Thank you [redacted] !!!", "Transaction ID: 1572", "Food Waste - Non Halal:", "16gram", "Rewards Points: 2.00", and "Total Points: 7.00". Below the screen is a weighing platform with a red mat that says "Weigh your filled container here". To the left of the platform is a small camera lens and a QR code scanner. A sign on the left side of the bin says "Scan your app QR code above" with an upward arrow and a QR code. The bin is part of a larger set of bins, with a red bin visible to the right. The background is a blue wall with a yellow stripe.
